

SPECTRA™ TRADEMARK LICENSE AND RAW MATERIALS SUPPLY AGREEMENT

This agreement (hereinafter referred to as "Agreement") is made and entered as of the 7 day of September, 2021 (hereinafter referred to as the "Effective Date") by and between VDF FutureCeuticals, Inc., an Illinois corporation located at 2692 N. State Rt. 1-17, Momence, IL 60954, USA ("VDF FC"), and IAF Network S.p.A., an Italian company located at Via Flero 46, Torre Sud 25125, Brescia, Italy ("IAF"). VDF FC and IAF may be collectively referred to hereinafter as "the Parties" and individually as a "Party."

WHEREAS VDF FC owns the trademark **Spectra™**, as well as the **Spectra™** logo(s) set forth below, and all goodwill associated with such trademarks in the United States and elsewhere:

such marks collectively referred to herein as the "Trademarks," and all of the U.S. and international common law, registered and other trademark rights related thereto collectively referred to herein as the "Trademark Rights";

WHEREAS, VDF FC has agreed to allow IAF to use the Trademarks and the Trademark Rights to develop, make, use, sell, have made, have sold, distribute, manufacture (or caused to be manufactured) or export certain various retail functional food and nutritional supplement products, conditioned upon and limited by the terms of this Agreement (the "Products");

NOW THEREFORE, in consideration of the mutual covenants and promises exchanged, the Parties agree to be legally bound by the following covenants and they agree as follows:

I. DEFINITIONS.

For the purposes of this Agreement, the terms listed within this instant Article I shall be defined as follows:

1.1 "Term" shall mean that period of time during which the Agreement is in force and effective. The Term shall commence on the Effective Date and continue for a period of exactly twenty-four (24) consecutive months ("Initial Period").

1.1.1 *Earlier Termination of the Agreement by IAF.* IAF has the right to terminate this Agreement at any time upon giving VDF FC ninety (90) days written notice. Upon termination of this Agreement by such notice, all rights granted to IAF herein shall terminate and automatically revert back to VDF FC, and outstanding payments due VDF FC per this Agreement will be duly accounted, reported and paid by IAF to VDF FC. Any purchase orders submitted to VDF FC prior

to the termination notice, even if not fulfilled at the time of said termination, shall continue to be considered a firm commitment, and the obligation to pay shall not be terminated or cancelled.

1.1.2 *Renewal of the Agreement.* At the end of such Initial Period, the Term shall be renewed automatically for additional periods of one (1) year (each hereinafter referred to as a "Period"), unless either Party notifies the other Party in writing, at least sixty (60) days prior to the end of the Initial Period or subsequent Period thereof, of its intention not to renew this Agreement.

1.2 "IP Territory" shall mean the countries within which the Trademark Rights granted by VDF FC pursuant to this Agreement may be used. The IP Territory is: the United States.

1.3 "Non-IP Territory" shall mean the countries not included within the IP Territory wherein any rights other than the Trademark Rights ("Other Rights") granted by VDF FC pursuant to this Agreement may be used. The Non-IP Territory is: all countries except the United States.

1.4 "Licensed Channels" shall mean the channels of commerce in which IAF may sell products using the VDF FC license granted by this Agreement. The Licensed Channels are pharmacies, retail health food stores, and direct-to-consumer online channels.

1.5 "Raw Material" and/or "Raw Materials" shall mean VDF FC's proprietary Spectra™ material, VDF FC product number N850.1.

1.6 "Raw Material Specifications" (hereinafter also referred to as the "Specifications") shall mean the specifications for the Raw Material as set forth in Exhibit B, attached hereto.

1.7 "Product" or "Products" shall mean IAF's ready-to-mix beverage products that contain the Raw Materials in combination with other ingredients. Products shall not include products that contain the Raw Materials in stand-alone application wherein the Raw Materials are presented as the sole or primary active material.

1.8 "Contract Manufacturer" shall mean the party authorized to manufacture Products on behalf of IAF. The Contract Manufacturer is Nutrilinea S.r.l., located at Via Gran Bretagna, 1-21013 Gallarate (VA), Italy.

1.9 "Brand" shall mean usage of the term "Spectra" or any similar term in the Non-IP Territory.

2.0 "Current Good Manufacturing Practices" and "cGMP" shall each mean the applicable standards and applicable laws relating to manufacturing practices for products (including ingredients, testing, storage, handling, intermediates, bulk and finished products) promulgated by the U.S. Food and Drug Administration as the same may be updated,

supplemented or amended from time to time. With respect to IAF, "Good Manufacturing Practices" shall mean the applicable standards and applicable laws relating to manufacturing practices for products (including ingredients, testing, storage, handling, intermediates, bulk and finished products) promulgated in any markets wherein the Products are manufactured or sold.

2. GRANT OF NON-EXCLUSIVE LICENSE.

2.1 Conditioned upon IAF's introduction into the consumer market of the Products within twelve (12) months of the Effective Date of this Agreement, VDF FC grants to IAF, within the IP Territory and the Licensed Channels, the non-exclusive, royalty-free license to use the Trademarks and Trademark Rights, such grant limited to IAF's use solely on or in conjunction with the Products, and only to Trademark Rights for such time that they remain in force.

2.2 IAF's failure to comply with all of its obligations under this Agreement shall result in a termination of the non-exclusive licenses defined in Paragraph 2.1

3. BREACH OF CONTRACT

3.1 *Insolvency.* A Party will be in breach of this Agreement if: (i) such Party is deemed insolvent or files an application in, or seeks protection under, any bankruptcy, receivership, trust deed, creditors arrangement, composition or comparable proceeding or any such proceeding is instituted against such Party; (ii) a trustee or receiver is appointed for such Party; or (iii) such Party makes a general assignment or arrangement for the benefit of its creditors, or comes within the provisions of any law relating to insolvent debtors.

3.2 *Ceasing Business Operations.* A Party will be in breach of this Agreement if such Party ceases to be registered to do business, dissolves its business, files articles of dissolution or their equivalent, or otherwise ceases its normal business activities.

3.3 *Right to Seek Legal Relief Retained and Fee Shifting.* In addition to the right to terminate the Agreement in the event of the breaches defined above, the Parties retain all other remedies at law and equity to enforce the terms of this Agreement. In the event a legal action is filed regarding IAF's alleged breach of this contract, and VDF FC prevails in such legal action, VDF FC shall be entitled, as an element of damages, to its costs in prosecuting the legal action, including reasonable attorneys' fees.

4. ADDITIONAL CONSIDERATION

4.1 Either during or after the Term, IAF and the Contract Manufacturer shall not engage in any actions to produce, or to attempt to produce, or to cause any third-party to produce any raw materials that are substantially similar to the Raw Materials, other than pursuant to the terms outlined in this Agreement.

4.2 Either during or after the Term, neither IAF nor the Contract Manufacturer shall obtain any material to be labeled or marketed as "Spectra™", "Spectra", or a confusingly similar term from any source other than VDF FC.

4.3 At any time during the Term and one (1) year thereafter, but not more than one (1) time during each calendar year, VDF FC may, upon reasonable notice but otherwise at its sole discretion, audit the records of IAF relating to the purchases made of the Raw Material.

4.4 IAF shall not take any action that contests, challenges or otherwise adversely interferes with the Trademark Rights within the United States or anywhere throughout the world, or that adversely affects VDF FC's ability to secure and maintain trademark rights anywhere in the world.

5. RAW MATERIAL

5.1 *Compliance with Laws and Specification.* The Raw Material: (a) shall be manufactured, packaged, labeled, handled, stored and shipped in compliance with all applicable U.S. laws including, without limitation, applicable U.S. cGMPs; (b) shall be manufactured, packaged, labeled, handled, stored and shipped in accordance with, and shall conform to, the Specifications; (c) at the time of delivery to IAF or the Contract Manufacturer, shall not, to the best of VDF FC's knowledge after exercising reasonable due diligence, be adulterated, mislabeled, or misbranded under U.S. law; and (d) at the time of delivery to IAF or the Contract Manufacturer, shall be, to the best of VDF FC's knowledge after exercising reasonable due diligence, free from material defects in material and workmanship.

5.2 *Audits.* VDF FC shall allow IAF or a mutually acceptable authorized representative to inspect, on an annual basis and at reasonable times, all relevant processes relative to the Raw Materials for compliance with this Agreement.

6. RECOVERY OF RIGHTS

6.1 Upon termination of this Agreement for any reason, all of IAF's rights in any of the Trademark Rights, along with any goodwill related thereto, shall terminate and revert back to VDF FC.

6.2 Upon termination of this Agreement for any reason, except for a breach of this Agreement by IAF, IAF shall retain only the right to sell off any remaining inventories for a period of three (3) months following such applicable termination (the "Sell Off Period").

7. TRADEMARK AND BRAND USE

7.1 Within the IP Territory, IAF shall ensure that all of the Products and related materials, including without limitation, advertising materials, ingredient sheets, or other product literature, shall be marked with appropriate and sufficient

trademark designations as well as an attribution of VDF FC's ownership of the Trademark Rights (e.g. "Spectra™ is a trademark of VDF FutureCeuticals, Inc., used under license.").

7.2 Upon written request of VDF FC, IAF shall furnish to VDF FC samples of the Products, advertising, and labels with which any of the Trademarks or Brand are used or associated.

7.3 Prior to full product launch of the Products, IAF shall ship two (2) representative samples of the Products to VDF FC. Such shipment shall be made to VDF FC's mailing address as listed on the signature page of this Agreement, to the attention of "Daphne Graves."

7.4 Upon written request of VDF FC, and at reasonable times as scheduled by IAF, IAF shall allow VDF FC or its third party representative to inspect all relevant processes used in making and selling the Products for compliance with this Agreement.

7.5 IAF acknowledges VDF FC's exclusive and prior ownership and right to the Trademarks and Trademark Rights, and shall, as reasonably requested from time to time, acknowledge the same to any other person or entity.

7.6 IAF is liable for any unauthorized and improper use or any misuse of any of the Trademarks by IAF, its successors, assignees, and agents during the term of this Agreement.

7.7 *Trademark, and Brand Use Requirements:* IAF shall strictly follow and abide by the Trademark and Brand use requirements attached hereto and made part of this Agreement as Exhibit A, including any supplemental or updated requirements provided by VDF FC in the future. New Trademark and Brand use requirements shall apply to IAF's next label and/or carton revision.

7.8 IAF shall not use the Trademarks or Brand in any manner that expresses or implies VDF FC's affiliation, sponsorship, certification or approval of IAF's products, and further agrees not to use the Trademarks or Brand as part of, or next to, or as, IAF's (or its agents' or affiliates') company name, trade name, product name, service name or domain name.

8. INFRINGEMENT

8.1 If IAF becomes aware of any infringement or alleged infringement of or by any intellectual property rights covering any portion of the Trademarks or Trademark Rights or embodied by the Raw Material or Products, then IAF shall promptly notify VDF FC in writing of the name and address of the alleged infringer, the alleged acts and dates of infringement, and any available evidence of infringement.

8.2 IAF shall not take any action that contests, challenges, lessens the value of, or otherwise interferes with the

Trademarks or Trademark Rights within the United States, or that adversely affects VDF FC's ability to secure and maintain corresponding rights outside the United States.

8.3 In any infringement lawsuit IAF shall, at VDF FC's request, cooperate in all respects and, to whatever reasonable business extent possible, have its employees testify when requested and make available relevant records, papers, information, samples, specimens, and the like.

9. REPRESENTATIONS AND WARRANTIES

9.1 VDF FC hereby represents and warrants to IAF as follows:

The Parties expressly agree to the exclusive jurisdiction and venue of the state and federal courts located in Chicago, Illinois for the resolution of any dispute concerning the enforcement, breach, interpretation, or validity of this Agreement.

10.5 *Severability.* In the event any part or parts of this Agreement are found to be invalid, illegal, or unenforceable in any respect, the remaining provisions shall nevertheless be binding with the same effect as if the invalid, illegal, or unenforceable part or parts were originally deleted.

10.6 *Successors and Assigns.* This Agreement shall be binding upon and inure to the benefit of the Parties to this Agreement and their respective successors, assignees and agents. Notwithstanding the preceding, IAF shall not have the right to sell this Agreement as an asset nor to assign this Agreement and all rights hereunder without the written permission of VDF FC, such permission not to be unreasonably withheld or delayed.

10.10.2 In the event of the occurrence of such a force majeure event, the Party unable to perform shall as soon and promptly as practicable notify the other Party. It shall also use its best efforts to resume performance as quickly as possible, and suspend performance only for such period of time as is necessary as a result of the force majeure event.
