#### 4.2 Representation of Licensee's proposed use of the Trademark and Trade Name

Actual representations of Licensee's proposed use of the Trademark and Trade Name (in combination with Licensee's own trademark, if any) on or in relation to the Co-branded Products are shown in Exhibit D and are the only ones authorized under this Agreement. Any time any use considered by Licensee would depart, even slightly, from the sample shown in Exhibit D in Gnosis' sole discretion, Licensee shall provide the above samples to Gnosis at least 3 business days in advance of the earliest of the events cited under points (i) to (iii) above, and shall wait until Gnosis' written approval before starting any such use. If Gnosis has not reacted within 2 business days, Licensee shall send Gnosis a reminder and make no usage of the Trademark or Trade Name prior to receipt of Gnosis' approval. Notwithstanding the above provisions, upon Gnosis' reasonable request, Licensee shall provide Gnosis with samples of Co-branded Products and/or representative samples of each use of the Trademark and Trade Name, on any media whatsoever.

- (c) If Gnosis determines that:
- (i) Licensee is not using the Trademark and Trade Name in compliance with the Agreement; or
  - (ii) the Co-branded Products do not comply with the requirements set out under the Agreement;

(a "Default") Gnosis can, without prejudice to Gnosis' right to terminate the Agreement under Section 5.2(b)(i), suspend Licensee's right to use the Trademark and Trade Name until Gnosis has received appropriate proof that Licensee has remedied the Default. Licensee shall advise Gnosis of the steps taken to remedy the Default within 10 days following receipt of Gnosis' notice to remedy. Where Licensee fails to remedy the Default within such 10 day period, Gnosis may terminate this Agreement with immediate effect.
